

## Service Conditions for Commissioning / System Integration / Repairs

### 1. Rates

service technician in field service within Germany (plus travel and overnight costs / charges)	80,00 €/h (incl. waiting time)
evaluation costs at Steinmeyer Mechatronik	75,00 €/h
service technician (plus material costs)	65,00 €/h
service technician abroad	on inquiry

### 2. Overtime rates

for excess hours exceeding an operating time of 8 hours (Monday to Friday)	25 %
for excess hours exceeding an operating time of 8 hours on Saturdays	55 %
service assignment on Sundays, public holidays and for night work (from 8.00 p.m. to 6.00 a.m.)	85 %

### 3. Travel rates

travel time (to and back)	50,00 €/h
kilometer rate for company own car	0,60 €/km
costs for rental car	according to invoice
costs for public transportation, overnight and expenses	according to invoice

### 4. External service

When using services of engineers or specialists from external companies to install or commission systems, we reserve the right to charge the costs according to the actual rates.

Assembly costs are payable without discount. The basis for the calculation is the work report, which is signed by the client.
